A Letter From Mrs. Caro

Ready for a Super Year!

Dear Parents,

I am very excited to begin this new school year and meet all of you and your second graders. I know that this year will be full of learning and fun. This year's theme will be superheroes! The theme will be incorporated into our lessons throughout the year. One of my goals is to create a safe and loving classroom environment.

I would also like to have an open communication with you. I will actively encourage and support your involvement in your child's learning experience. Any suggestions on how to best guide your child would be very much considered and appreciated.

I will be soon giving each parent a handbook with policies and procedures, general trip information, calendars, homework details, and everything else that you need to know to remain informed of your child's experience in my classroom. Please do not hesitate to ask me any questions throughout the year. I will be more than happy to meet with you to address your questions and concerns. I have included a few of my favorite things, so that you and your child can get to know me a little better. I look forward to learning more about you and your child as we go through this wonderful year together.

A FEW OF MY FAVORITE THINGS
