

July, 2011

Dear parents of 3rd Grade,

It is such a pleasure to welcome all of your children to 3rd grade. I am eagerly waiting spending the next academic year with all of them. There will be lots of fun activities to do throughout the year. The most important thing is that we will grow as a class academically and in becoming more Christ-like.

I can't wait to have all of the children in my class. Most of them who were in 2nd grade at HPCA already know me. Please feel free to contact me with any questions or concerns that you may have. Hope to see you soon.

Thanks,

Mrs. Wambua
