

5th Grade

Dear Families,

Welcome to the 5th Grade! My name is Ms. González, and I am thrilled to be your child's teacher this year. I have an exciting year planned.

The curriculum this year is very interesting and diverse. Our key focus throughout the year will be the wonders and beauties of the world that our God has blessed us with. We will also be working on reading new chapter books, learning different Math techniques, studying continents of the world (including the 50 states), and much more!

I expect a lot from my students in the 5th grade, and I look forward to the students putting forth their best effort in all school activities and assignments. The students should expect for me to work with their individual needs in order to help them excel in any content area. In order for this to be a success, please ensure that your child comes to school prepared each day (See the attached supply list).

As you may know, communication is essential for your child's success. Each student is unique, and to ensure success with all forms of learning, I would like your help as a parent. Help includes volunteering in/out the classroom, informing me of any ideas you may have, or simply just notifying me about anything you think I should know about your child. Success in the classroom is not only appreciated by me as a teacher, but by you as a parent.

I look forward to teaching your children and getting to know you.

God Bless,

Ms. González
