

Hunting Park Christian Academy

Dear Parent(s),

I hope your summer has been good and restful. It is only July, but as many of you know it's time to get ready for the school year. Supplies, uniform, etc. There is a supply list attached to this letter by the way.

Many of you have gotten to know me pretty well over the last seven years, and vice-versa. I'll be returning to junior high as the 8th grade homeroom teacher. I'll be teaching Math and Bible to all of junior high. I'm looking forward to meeting any new students and families that I haven't had the opportunity to work with in the past. Overall, I'm really excited about this coming year and expect it will be a great one.

So as the beginning of the school year quickly approaches, I pray the Lord blesses you and your family the rest of this summer. See you in September!

Sincerely,

Jose Figueiredo

Teacher
