

Welcome to 2nd Grade!

A LETTER FROM MRS. CARO

I am very excited to begin my 3rd year teaching at HPCA and I am eager to see what this wonderful school year will bring. I cannot wait to meet all of you and your amazing second graders. I know that this year will have some challenges, but it will also be full of learning and fun! One of my goals is to create a safe and loving classroom environment. Whether we are learning virtually or in class, we will become a family!

I would also like to have an open communication with you as the parent or guardian. I will actively encourage and support your involvement in your child's learning experience. Any suggestions on how to best guide your child would be very much considered and appreciated. I will be giving each parent a handbook with classroom policies and procedures, calendars, at-home learning details, and everything else that you need to know to remain informed of your child's time in my 2nd grade classroom.

Please do not hesitate to ask me any questions throughout the year. I can be reached at kaylac@hpcaphilly.org. I will be more than happy to meet with you to address your questions and concerns. I have included a few of my favorite things, so that you and your child can get to know me a little better. I look forward to learning more about you and your child as we go through this school year together!
