

Welcome Letter For 3rd Grade Parents 2021-2022 School Year!

Dear Parents/Guardians,

My prayer is that you have been all safe and well. Welcome to 3rd grade! I hope to make your child's learning experience fun and an exciting one. I hope to instill a love of learning that will last throughout your child's years of schooling.

So much happens in 3rd grade! This year will be full of important transitions. Here are some ways you can help:

- Celebrate your child's success, no matter how small it may seem. This will keep your child enthusiastic about learning and proud of their work!
- Read to and with your child every day, if possible. The more your child is exposed to language, the easier it will be for him/her to incorporate new skills in reading and writing in the classroom.

I am looking forward to working with your child this year and helping him/her to achieve his/her full potential. You can reach me via:

Thank you,
