# Welcome to 4th Grade!

First Day: Wednesday, September 1 8:30- 1:00 (Early Dismissal)

## Greetings from Mrs. Lin:

I'm so pleased to be back in the 4th grade class this year! Miss Lee is moving up to the 5th grade class so work hard this year to have her as your teacher next year!

Quick Bio:

Born and raised in Queens, NY; I have been a Christian for 30 years, HPCA teacher for over 20 years, and a HPCA parent for 14 years! My daughter just graduated from HPCA to high school, and my two sons are current students (one who will be in this class this year as a 4th grader also). I know I became a better teacher once I became a mother myself since I teach and see the students like I do my own children. If you have been at HPCA, you probably already know that most of the staff here are the same. I am also a pastor's wife and our church, One Hope Community, is only a few blocks away from HPCA and Spirit and Truth (our mother church).

I am excited that I know most of you students and families already; we need to hit the ground running in September in all 4th grade academic skills and learning while maintaining all the pandemic precautions everyday. It will be challenging to jump back into full-time, in person school and work but we must for the sake of our children's education and future.

Please check that Mrs. Cindy in the school office has the best and current email/contact to communicate and get on RENWEB for grades and updates. I look forward to talking to you soon!

Blessings in Jesus our Lord,

Mrs. Shin Lin
