

Meet the Teacher !!

Welcome to 2nd Grade!!

I am super excited for another year here at HPCA! Last year was my first year teaching second grade and I am ready for a fresh start. I can't wait to create new relationships with you and your children and I know HPCA is a great place to start.

About me:

I am from Philadelphia and grew up not too far from the school. I love to sing and can break out in song at any moment.

WELCOME !!

Dear Families,

Once again my name is Ms.Bee. Though this is only my second year as a second grade teacher, I have been teaching in other capacities for about 8 years. I am excited about this year because last year has taught me so much, and I still have so much to learn. I love improving myself and helping others to do the same. I love teaching because I get to learn from my students as they learn from me. Not only that, but getting to know them and be there for them in any way I can brings me joy.

No one knows your child better than you. With that being said, communication is key. I understand that I am only the teacher and I want to work with you to do the best we can with the time we have. If at any moment you have a question or concern feel free to reach out to me. Class Dojo will be the quickest to contact me, or cell phone. However, if you text or call after 6:30pm I will not respond until the next morning.

They will have folders that go home everyday and come back everyday. These folders will have all homework, graded work, and other announcements in them.

I want to thank you in advance for your support and your dedication to these babies you have created. I want you to know, if no one told you today, that you are important, you are appreciated, you are loved and your children are blessed to have you as I am blessed to have them this year.

Sincerely,

Ms.Bee
