

Welcome to First Grade

Congratulations! You are the family of a first grader at Hunting Park Christian Academy. This year is setting up to be one of the best, starting with **you**. I am so glad that you and your child will be joining my class.

This year is eye-opening for the students as they gain confidence in what they already know and become eager to learn new skills and concepts. I hope to make our classroom a place where students feel safe to explore, respected by peers and staff, know they are loved by God, and confident in their abilities. In doing so, you will be amazed by the growth in your student, academically, socially and spiritually.

Since **you** are a vital part of your child's growth and development, I welcome your input, concerns and assistance now and throughout the school year. Please don't hesitate to contact me either by phone, text or email at barbaraw@hpcaphilly.org or 609-680-4023.

My personal prayer for your child is that s/he will "grow in the grace and knowledge of our Lord and Savior Jesus Christ" (2 Peter 3:18) and with His help, will accept God's love for them.

I am looking forward to getting to know you and your first grader!
