WELCOME TO KINDERGARTEN

Dear Parents & Guardians,

I am excited to work with your child this year! Kindergarten is a crucial year for every child's academic career. We will be reading, writing, doing math activities, as well as learning about God's Word in His love here at HPCA.

My name is Nathalie Rodriguez, and I will be your child's kindergarten teacher! This will be my 9th year as an educator. I graduated from Eastern University, and I have been an HPCA student myself. Therefore, I am well aware of the positive impact that God's Word and hard work can have on a child's life as they grow in the faith.

I believe kindergarten is such a special time in a child's life. I look forward to working together with you to help your child achieve academic and social success. I encourage all parents to come join us and be involved in the many exciting things we will have this school year.

Together we can make this a great experience for your child.

Thank you, and God bless you!

Sincerely,

Mrs. Nathalie Rodriguez
