

Meet The Teacher

Greetings family and friends! My name is Ella Curcuruto, but students may call me Miss Curcuruto or Miss CC. This is my second year teaching Middle School ELA at HPCA, and I am thrilled to be back with this wonderful community. I am a graduate of Eastern University with a B.A. in English Literature. My dog Tumnus and I live in Germantown. I spend my time drinking coffee, making crafts, writing stories, and being with friends.
