

Congratulations, Graduates!

On June 18th, our 13 eighth-grade students will graduate and move on to high school. Thank you for the part that you played in their lives at HPCA through financial donations, prayers, and volunteering. Please continue to keep them in your prayers as they move to the next stage of their lives.

Adrian

Adrian has been at HPCA since Pre-K and will be attending Northeast Magnet. He is looking forward to the new courses that high school provides and plans to continue his education in college. He enjoyed school trips, learned a lot about God, and shaped his worldview and mindset while at HPCA. He may possibly join the Coast Guard.

Alexandria

Alexandria has been at HPCA since 6th grade and will attend Northeast Magnet. She would like to be a veterinarian because she likes animals. She has liked getting to make new friends at HPCA and loves gym because she gets to play basketball. She has learned that God died on the cross for us and is always there for us.

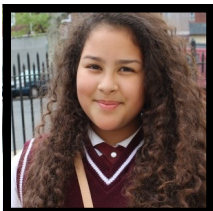

Amaiah

Amaiah has been at HPCA since Pre-K and will miss the teachers and how they helped her individually with her work and with problems. Over the years, she has learned to work hard with all her heart. In the fall, she will attend Girls' High and is interested in becoming a heart surgeon since she likes science and the functions of the body.

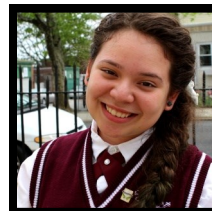

Ashley

Ashley started at HPCA in the 4th grade and will miss her good friends, Mr. Figgy's humor, and how hard her teachers always worked to help the students understand things. She has also learned the God loves everyone regardless of what they do. She enjoys drawing and would like to become an architect.

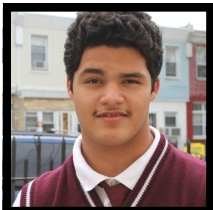

Danaeliz

Danaeliz has been at HPCA since Pre-K and enjoys gym and playing with her friends. At HPCA, she has learned that God forgives easily. She likes all her (funny) teachers and will especially miss Ms. Wire since she is like family. She hopes to eventually go to culinary school and one day become a pastry chef and own a bakery.

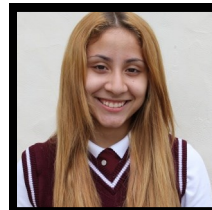

Desirae

Desirae started at HPCA in the 7th grade and felt welcomed; it was like joining a family. She really enjoys science since it is competitive, and likes learning about atoms. She wants to be a doctor or a forensic scientist and is excited to attend Northeast Magnet in the fall since they have a strong science program.

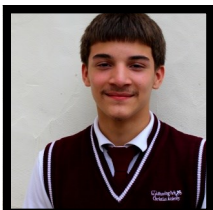

Elijah

Elijah has been at HPCA since Pre-K and has enjoyed getting older and having new teachers each year. He has learned that in order for us to be here, living our lives, Jesus had to sacrifice His own life. He looks forward to Northeast Magnet and their strong engineering and sports programs and would like to be an NFL player one day.

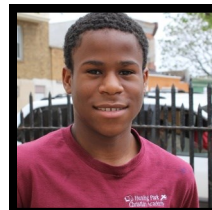

Jasmine

Jasmine has been at HPCA since 4th grade. She would like to go to college, possibly in Florida, to become a brain surgeon. She likes the activities and trips at HPCA. She also likes that the teachers are funny and teach above and beyond. She has enjoyed learning about the 60's and hippies.

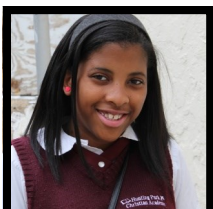

Jordan

Jordan has attended HPCA since 4th grade. He has learned that if he believes in God he can have eternal life. He will miss HPCA and especially Mr. Figgy's jokes. Jordan really enjoys science. After high school, he wants to attend college and study to be an aerospace engineer.

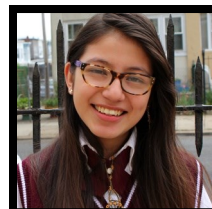

Joshua

Joshua started at HPCA in the 7th grade. His favorite subject is Bible and he likes getting to learn about history and the Lord. He has learned the importance of standing firm in his life and not simply doing what everyone else is doing. Josh loves basketball and after high school, he wants to own his own gym.

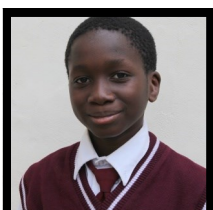

Kennee

Kennee has attended HPCA for 2nd-4th and 7th-8th grade. She wants to be a pediatrician because she likes kids and helping people. She loves that HPCA is small and allows her to express her feelings. She has learned that God loves her no matter what. She will miss how her teachers make her think more about life and give good advice.

Lucy

Lucy has attended HPCA since 6th grade. Her favorite memories at HPCA include various field trips with her friends. She has learned many memory verses from the Bible and how to apply them to her life. In the fall, she will attend Cristo Rey and looks forward to their work study program. In the future, she would like to be either a heart surgeon, a politician, or a supreme court judge.

Raymond

Raymond has attended HPCA for 5th, 6th and 8th grade. He will miss HPCA's activities (like the talent show) and also gym class. He also enjoyed math class because it came naturally for him. He has learned that God is the greatest and knows everything. In the fall, he will attend Multicultural Charter School and is excited for sports in high school.
